What if prayer could be simple rather than strenuous? Anxious, results-driven Christians can never pray enough, serve enough, or study enough. But what if God is calling us not to frenzied activity but to a simple spiritual encounter? What if we must merely receive what God has already given us?

In *Flee, Be Silent, Pray*, writer and contemplative retreat leader Ed Cyzewski guides readers out of the anxiety factory of contemporary Christianity and toward a God whose love astounds those who are quiet long enough to receive it. With helpful guidance into solitude, contemplative prayer, and practices such as *lectio divina* and the Examen, Cyzewski guides readers toward the Christ whose yoke is easy and whose burden is light.

Ready to shed the fear of the false self and the exhaustion of a duty-driven faith? Flee. Be silent. Pray.

Are you rapture ready?

As a teenager in the buckle of the Bible Belt, Zack Hunt was convinced the rapture would happen at any moment. Being ready meant never missing church, never sinning, and always listening to Christian radio.

But when the rapture didn’t happen, Hunt’s tightly wound faith began to unravel. If he had been wrong about the rapture, what else about his faith might not hold water?

Part memoir, part tour of the apocalypse, and part call to action, Unraptured traces how the church’s focus on escaping to heaven has it mired in decay. Teetering on the brink of irrelevancy in a world rocked by refugee crises, climate change, war and rumors of war, the church cannot afford to focus on the end times instead of following Jesus in the here and now. Unraptured uses these signs of the times to help readers reorient their understanding of the gospel around loving and caring for the least of these.

Key Features
• Addresses the challenges of credibility and relevance facing the church
• Offers a vision of Christian discipleship in a post-Christian world
• Provides incisive critique of end-times media
• Traces the history of rapture theology in America

What do we do with the Old Testament? How do we read words written in a world so different from ours, stories so ruthless and so filled with grace?

In Fire by Night, pastor Melissa Florer-Bixler invites readers to marvel at the Old Testament. Page after page, in stories and poems and prophecies, the Hebrew Scriptures introduces us to a God who is unwieldy and uncontrollable, common and extraordinary, and who brings both life and death. Using stories from Scripture and from her ministry, Florer-Bixler braids together the text with the sometimes ordinary, sometimes radical grace of God. The same passages that confuse and horrify and baffle us can, if we are paying attention, lure us closer toward God. This God has traveled with people through pillars of cloud and fire, by day and by night, since the days of the exodus.

The Old Testament is a perplexing book of profound grace, hope, and beauty. It’s a book of fire. To read the Old Testament is to draw close to God’s love, which continues to burn away our expectations and set us ablaze.

Key Features
• A millennial pastor’s lyrical reflections on the Old Testament
• Helps readers connect stories from the Hebrew Bible to their own lives
• Foreword by Luke Powery, dean of Duke University Chapel
• Will appeal to readers of Barbara Brown Taylor, Rachel Held Evans, and Lauren Winner

Melissa Florer-Bixler is a writer and pastor with degrees from Duke University and Princeton Theological Seminary. As pastor of Raleigh Mennonite Church in North Carolina, Florer-Bixler and her ministry have been featured in The Atlantic and Sojourners. She also works with a strategy team to build broad-based community organizing in Wake County, and serves on the Human Relations Commission for the City of Raleigh. What the Opioid Crisis Reveals about Us

“Opioids claim the lives of 115 people per day. One of them could have been me.”

When a near-fatal illness led his doctors to prescribe narcotics, media consultant Timothy McMahan King ended up where millions of others have: addicted. King eventually learned to manage pain without opioids—but not before he began asking profound questions about the spiritual and moral nature of addiction, the companies complicit in creating the opioid epidemic, and the paths toward healing and recovery.

We have become a society not only damaged by addiction but fueled by it. In Addiction Nation, King investigates the ways that addiction robs us of freedom and holds us back from being fully human. Through stories, theology, philosophy, and cultural analysis, King examines today’s most common addictions and their destructive consequences. In stark yet intimate prose, he looks not only at the rise of opioid abuse but at policy, pain, virtue, and habit. He also unpacks research showing patterns of addiction to technology, stress, and even political partisanship.

Addiction of any kind dims the image of God and corrupts who we were created to be. Addiction Nation nudges us toward healing from the ravages of addiction and draws us toward a spirituality sturdy enough to sate our deepest longings.

Key Features
• Analysis of the contemporary opioid epidemic and a culture of excess
• Weaves together Christian and philosophical reflections on addiction
• Ideal for pastors, counselors, parents, and anyone who has watched a loved one in the spiral of addiction

Timothy McMahan King is a writer, nonprofit professional, and the owner of Vagabond Consulting. He has worked as a community organizer in Chicago, a chief strategy officer with Sojourners, and currently serves as a consultant for the Center for Action and Contemplation. King’s work has been published in Christianity Today, Sojourners, and other venues, and he has been interviewed by ABC, the BBC, Time, CNN, and the Daily Beast. A graduate of North Park University with degrees in theology and philosophy, King and his wife, Hannah, live in New England.
What if asking Jesus into our hearts is not the heart of the gospel?

In *By the Way*, pastor and author Derek Vreeland reframes everything we’ve been told about Christianity and what it means to follow Jesus. Discipleship isn’t an add-on. Jesus didn’t say, “Go into all the world and get people saved” or “Get people to ask me into their hearts.” Jesus said, “Go therefore and make disciples.” Reclaiming discipleship as the heart of the Christian faith means seeing anew the gospel, the cross, the resurrection, transformation, and the community of faith. We learn the ways of Jesus by practicing them, Vreeland says, and in *By the Way*, he introduces us to the ways of Jesus.

Discipleship means joining God’s joyful mission of reconciliation on earth, not just saving souls for the afterlife. Following Jesus is more like taking a long walk in the woods than sitting in a classroom. Living by the Way takes practice—and that’s the point.

**Key Features**

- Introduces readers to nine habits of discipleship
- Extends readers’ understandings of salvation, critical thinking, spiritual formation, community, and justice
- Provides a Christ-centered, countercultural perspective on the Christian life
- Serves as a resource for spiritual formation, discipleship, and catechesis for congregations
- Includes discussion questions at the end of each chapter
- Foreword by Derwin Gray, founding pastor of Transformation Church and former NFL player

**Derek Vreeland** is the discipleship pastor at Word of Life Church in St. Joseph, Missouri, where he leads small groups and discipleship ministries and serves on the pastoral leadership team along with Brian and Peri Zahnd. Vreeland is a regular contributor at Missio Alliance, and his work has been published by Outreach. The author of several books, Vreeland has degrees from Missouri Western State University, Oral Roberts University, and Asbury Theological Seminary. He and his wife, Jenni, have three sons.

In Amish Voices, Amish writers share news and advice from their communities and reflect on their daily lives, work, and faith. Brad Igou, publisher of Amish Country News, gives readers a behind-the-scenes tour of Amish life by compiling writing from Family Life, a popular monthly magazine that thousands of Amish people read. Learn about how the Amish began and what they value. Hear what they think about technology, happiness, community, obedience, success, and change. Listen in as they discuss shunning and rumspringa and forgiveness. Find out what sustains them in difficult seasons, and how they try to trust God in all things.

Why learn about the Amish from outsiders when you can learn from the Amish themselves? And why just learn about them when you can learn from them?

Key Features
• A collection of writings from the Amish magazine Family Life
• Humorous stories and serious reflections organized by topic
Girls and women are transforming the world. Will the church support them? Educating women is the most effective way to combat extreme poverty, slash child mortality rates, and build healthy communities. But first a girl must navigate the minefields of childhood and adolescence. Will she get pregnant or finish her education? Will she be trafficked or taught a trade? Will she be abused by authority figures or equipped for leadership?

*From Risk to Resilience* weaves the stories of young women between the ages of 12 and 21 into a tapestry of hope. Author and gender justice advocate Jenny Rae Armstrong illuminates dangers common to women and girls around the world: gender-based violence, child marriage, healthcare gaps, and damaging social attitudes. She also delves into narratives of women in Scripture, examining theologies of oppression that contain and crush women’s potential, and theologies of shalom that lift women up.

Drawing on resources from the gender justice movement and from heroines of the Bible, Armstrong offers a stirring call to action, with practical ways that churches and individuals can help girls around the globe thrive.

**Key Features**

- Offers a biblical theology exploring how God and God’s people have responded to gender inequality throughout history
- Looks at how modern girls across the world are participating in God’s redemptive work
- Equips readers with practical ways to make a difference in girls’ lives, locally and globally

Just come on over.

Many people today feel lonely, isolated, and disconnected from God and others. We crave authentic community, but we have no idea where to start. We’d be glad to cultivate friendships; but honestly, who’s got the time?

In Invited, writer Leslie Verner says real hospitality is not having a Pinterest-perfect table or well-appointed living room. True hospitality is not clean, comfortable, or controlled. It is an invitation to enter a sacred space together with friends and strangers. Through vivid accounts from her life and travels in Uganda, China, and Tajikistan, and stories of visiting congregations in the United States, Verner shares stories of life around the table and how hospitality is at the heart of Christian community. What if we in the West learned about hospitality from people around the globe? What if our homes became laboratories of belonging? Invited will empower you to open your home, get to know your neighbors, and prioritize people over tasks. Holy hospitality requires more of Jesus and less of us. It leads not only to loving the stranger but to becoming the stranger. Welcome to a new kind of hospitality.

Key Features
• Biblical reflections on hospitality and welcome
• Celebration of friendship and authenticity
• Concrete, practical ideas for extending welcome and being hosted by family, friends, neighbors, and across cultures

Leslie Verner writes about faith, justice, family, and cross-cultural issues for SheLoves, Relevant, The Mudroom, and other venues. She earned her master’s degree in intercultural studies and bachelor’s in elementary and middle grade education, and she lived in China for five years, where she taught English as a second language and studied Mandarin. She, her husband, and their three children live at the foothills of the Rocky Mountains in Colorado. Verner is a member of the Redbud Writers Guild. Connect with her at ScrapingRaisins.com.

Children and youth will just “catch” the faith of their parents, right? Wrong. Talking with kids about faith no longer comes naturally to many Christian parents, and in Raising Disciples, pastor Natalie Frisk helps us do better. Do kids have a chance at choosing Jesus when adults in their lives don’t talk about him? What would Jesus-centered parenting look like? How can we move from schooling kids in the dos and don’ts of moralism to helping them experience the joys of following Jesus?

As the curriculum pastor at The Meeting House, one of the largest churches in Canada, Frisk calls parents who follow Christ to ask the big questions about spiritual formation of children and teens. In practical and thoughtful ways, she equips parents to disciple their kids in various stages of childhood, adolescence, and young adulthood. Raising kids to love Jesus doesn’t guarantee that they’ll choose him for themselves. But with authenticity, flexibility, humor, and prayer, parents can make openings for their children to experience God in their daily lives. Raising Disciples will awaken parents to the possible of Jesus-centered parenting and encourage us to engage in the lost art of discipling our own kids.

Key Features

- Answers the question, What is Jesus-centered parenting, and how do we do it?
- Helps parents, pastors, youth leaders, mentors, and Sunday school teachers disciple the next generation
- Offers best practices for nurturing the spiritual development of children and youth
- Gives practical ideas for discipling children, teenagers, and young adults
Every day we lose a little bit of something. Career plans wither. Friendships crumble. Our zeal for Jesus wanes. Whether it’s the demise of ideals and expectations, belief in the church, a previously healthy relationship, or our image of ourselves: we all experience losses.

So does the God of the resurrection have anything to say to our hurts? Was Christ’s resurrection a once-and-done thing, or is there hope of healing and restoration now?

In *Signs of Life*, pastor and writer Stephanie Lodbell leads readers into the grand story of God’s saving action and resurrection power. Punctuated with stories of biblical figures such as Hagar, Sarah, Saul, and Anna, who faced ordinary losses and also God’s reviving power, *Signs of Life* claims Jesus’ resurrection matters now. In candid and artful prose, Lodbell shares stories of her own depression, loss of confidence, and disillusionment with the church. Hope isn’t cheap, and you can’t muscle your way through to joy. There’s no sense in pretending everything is fine.

Yet through it all, Lodbell claims, God breathes life into what seems beyond redemption. Through it all, the resurrection matters.

**Key Features**

- Offers stories of people in Scripture who faced hardships and experienced God’s saving action
- Holds space for Christians frustrated with sanitized versions of Christian living
- Presents authentic perspectives on depression, anxiety, and disillusionment from a pastor

Do you ever think you’re forgetting how to talk about God? Or never learned how? Theology is nothing more—and nothing less—than speaking together about God. Still, a lot of us don’t know where to start.

In *Speaking of God*, pastor and theologian Anthony Siegrist helps readers recover a basic language around Christian theology. The sweeping epic of Scripture serves as the scaffold for this theological project. In vivid and even humorous writing, Siegrist introduces us to scholars and pilgrims and traditions that disclose essential truths about God and Jesus Christ, as well as concepts like creation, sin, redemption, the church, sacrament, and discipleship. By plumbing the works of theologians such as Augustine, Julian of Norwich, Antonia Gonzalez, and Kazoh Kitamori, Siegrist offers readers an introduction to Christian theology throughout the ages, emphasizing common threads of thought and practice across traditions.

Learning to talk about God requires courage and humility; this handbook of Christian theology will help you gain both. Listen in on the deepest, longest conversation in the world. You may even want to join it.

**Key Features**

- Offers basic introduction to Christian theology through the story of Scripture
- Helps readers encounter broad swath of Christian traditions with ecumenical generosity and curiosity
- Serves as an excellent resource for students and readers of Christian theology

*Anthony G. Siegrist* is a pastor, author, and theologian currently serving a Mennonite congregation in Ottawa, Ontario. Collateral Damage
Changing the Conversation about Firearms and Faith
James E. Atwood
2019. 202 pages. PB. 9781513804866. $16.99 USD
RELIGION / Christian Life / Social Issues
Available November 5, 2019

More than 90 people die from gun violence every day in the United States. Some 50 children and teens are shot. There are more than 35,000 gun-related deaths every year. Yet many Christians say gun violence shouldn’t be talked about in church.

In Collateral Damage, pastor and activist James E. Atwood issues an urgent call to action to Christians to work together to stop gun violence. An avid hunter for many years, Atwood enumerates the tragic and far-reaching costs that accrue in a country with more guns than people. Collateral damage includes a generalized fear and loss of trust. Suicides and homicides. Trauma for children in neighborhoods plagued by gun violence and in schools with frequent lockdown drills. A toxic machismo that shapes our boys and men in unhealthy ways. Economic costs that exceed $229 billion per year. Atwood also considers the deeper story of racism, inequality, and mass incarceration in which the conversation about gun violence is lodged.

Gun violence has been called the theological emergency of our time. The church has a moral and spiritual obligation to side with life against death. Will we rise to the occasion?

Key Features
- A call to action from an elder in the anti–gun violence movement
- An incisive, research-based analysis of the current state of guns in the United States
- Practical ideas for engaging in conversation and activism against gun violence
- Foreword by J. Herbert Nelson, stated clerk of the Presbyterian Church (U.S.A.)

James E. Atwood is pastor emeritus of Trinity Presbyterian Church of Arlington, Virginia. A leader in the faith-based movement for good gun laws, he has served as chair of the anti–gun violence group Heeding God’s Call of Greater Washington, interfaith coordinator of the Million Mom March, and a member of the National Committee of the Presbyterian Peace Fellowship. Atwood is the author of America and Its Guns and Gundamentalism. He is the recipient of the 2018 David Steele Distinguished Writer Award by the Presbyterian Writers Guild. He and his wife, Roxana, served as mission workers in Japan and now live in Harrisonburg, Virginia.

Plantation Jesus
Race, Faith, and a New Way Forward
Skot Welch and Rick Wilson with Andi Cumbo-Floyd
2018. 192 pages. PB. 9781513803302. $16.99 USD
Ebook. 9781513803326. $13.99 USD
RELIGION / Christian Life / Social Issues

Not long ago, most white American Christians believed that Jesus blessed slavery. God wasn’t bothered by Jim Crow. Baby Jesus had white skin. Meet Plantation Jesus: a god who is comfortable with bigotry, and an idol that distorts the message of the real Savior.

That false image of God is dead, right? Wrong, argue the authors of Plantation Jesus, an authoritative new book on one of the most urgent issues of our day.

Through their shared passion for Jesus Christ and with an unblinking look at history, church, and pop culture, authors Skot Welch and Rick Wilson detail the manifold ways that racism damages the church’s witness. Together Welch and Wilson take on common responses by white Christians to racial injustice, such as “I never owned a slave,” “I don’t see color; only people,” and “We just need to get over it and move on.” Together they call out the church’s denials and dodges and evasions of race, and they invite readers to encounter the Christ of the disenfranchised.

With practical resources and Spirit-filled stories, Plantation Jesus nudges readers to learn the history, acknowledge the injury, and face the truth. Only then can the church lead the way toward true reconciliation. Only then can the legacy of Plantation Jesus be replaced with the true way of Jesus Christ.

Key Features
- Thoughtful biblical reflections on the history of racial injustice in the church
- Christ-centered perspectives on systemic injustice and the church’s role in healing
- Resource section with practical exercises to help groups discuss race, ethnicity, and injustice

“America is in deep trouble. White supremacy should not be the guiding principle of an enlightened society, and people of faith need to be at the forefront of changing the paradigm. . . . Plantation Jesus is a powerful guide for doing just that.”
—Sharon Leslie Morgan, coauthor of Gather at the Table and founder of Our Black Ancestry

“Plantation Jesus is a unique book that is real and raw about the challenging nature of conversations about race, ethnicity, faith, and the role of the church. The examples and stories provide a practical view of the long-term implications of the church when it unwittingly perpetuates racism. It also provides hope that an authentic view of Jesus can reemerge if people are willing to have the difficult conversations.”
—Kyle Ray, lead pastor, Kentwood Community Church

Skot Welch is the principal/founder of Global Bridgebuilders, a firm focusing on cultural transformation and inclusion that serves a wide range of clients in the United States and in more than seven countries. Welch has worked in international business and diversity and inclusion management for nearly 20 years.

Rick Wilson was an Emmy-winning producer and writer in print and broadcast media. He was cohost, with Skot Welch, of the popular radio program Radio in Black and White, which covered topics related to race, ethnicity, and cultural competence. Wilson died in 2014.

Andi Cumbo-Floyd is a writer, editor, and writing coach whose books include The Slaves Have Names, a book of creative nonfiction that tells the story of the people who were enslaved on the plantation that she calls home. She and her husband, Philip, run a small farm in central Virginia.

Building on Gandhi’s and Martin Luther King’s concept of a power mightier than ourselves, Soul Force moves us from barriers to bridge building, from self-centeredness to solidarity, from consuming to creating, and from maintenance to movement.

Packed with stories from the authors’ work with Communities First Association, L!VE Café, and Mission Year, Soul Force invites readers on a journey from the societal shackles that bind to the Spirit who frees. From those working at the grassroots to those leading at the grass tips, Soul Force offers a compelling and practical model for personal and collective transformation.

Is self-care different from being selfish or self-indulgent? Is it the same as caring for your soul? And what does self-care look like in light of following Jesus, who called his followers to deny themselves? In *Four Gifts*, pastor and author April Yamasaki addresses these and other questions about self-care. Drawing on the ancient scriptural command to love God with our heart, soul, mind, and strength, Yamasaki helps readers think about the spiritual dimensions of attending to your own needs, setting priorities, and finding true rest in a fast-paced world. She weaves together personal stories, biblical and theological insights, questions for reflection, and practical ideas for self-care. *Four Gifts* helps readers sustain their spirits and balance competing demands. Feeling overwhelmed by the pace and stress of daily life? Find respite from superficial definitions of self-care and move toward deeper engagement with God.

**Key Features**

- Scriptural and theological reflections on self-care, self-denial, and sustaining your strength
- Pastoral wisdom and strategies for slowing down
- Practical ideas for habits and practices that center heart, soul, mind, and strength on God

“With an integrative mind-body-spirit approach and the rich wisdom of a woman of color’s life well spent, Yamasaki leads us on a journey that is worth following.”

—Christena Cleveland, author of *Disunity in Christ*

“We all need to feed our souls. April Yamasaki uses the two great commandments as a frame to help us do that. When we love God with all of our heart, soul, mind, and strength, our growth becomes collateral benefit. I’ve read the book, but I also have seen with my own eyes as Yamasaki lives these words out, facing life’s challenges with courage. No ‘self-help’ here, but spiritual nourishment.”

—Charles Aaron, co-director of the intern program, Perkins School of Theology

“Many tired and weary pastors, homemakers, and public servants will find abundant practical help through this book.”

—Palmer Becker, author of *Anabaptist Essentials*

April Yamasaki is a pastor, speaker, and writer on spiritual growth and Christian living. A member of Redbud Writers Guild, she is the author of *Sacred Pauses*, and her work has appeared in *Christian Century*, Canadian Mennonite, and other venues. Yamasaki has more than 20 years experience as a congregational pastor and leads workshops and Bible studies in denominational and other settings. *Four Gifts* is her 15th book. She and her husband, Gary, live in British Columbia.

Darla Weaver
Ebook. 9781513803395. $11.99 USD
RELIGION / Christianity / Mennonite

Spend a day with sisters.

Once a week Darla Weaver hitches up her spirited mare, bundles her children into the buggy, and drives six miles to the farm where she grew up. There she gathers with her four sisters and their children for a day with their mother. In Gathering of Sisters, Weaver writes about her horse-and-buggy Mennonite family and the weekly women’s gatherings that keep them connected. On warm days, the children play and fish and build houses of hay in the barn. In the winter, everyone stays close to the woodstove, with puzzles and games and crocheting. No matter the weather, the Tuesday get-togethers of this Old Order Mennonite family keep them grounded and centered in their love for God and for each other, even when raising an occasional loving but knowing eyebrow at each other.

The rest of the week is full of laundry, and errands, and work that never ends. But Tuesday is about being sisters, daughters, and mothers.

Hear straight from Amish and Mennonite people themselves as they write about their daily lives and deeply rooted faith in the Plainspoken series from Herald Press. Each book includes “A Day in the Life of the Author” and the author’s answers to FAQs about the Amish and Mennonites.

—Leonard Sweet, bestselling author, scholar, and speaker

“You need this book in your church, and in your work with people who are searching for answers. It is the missing piece for our discussions on current topics and the Bible.”
—Dottie Escobedo, pastor, author, and speaker

“For all its popularity, the Bible is often misunderstood. Meghan Larissa Good skillfully reminds us that the messy and sacred world of the Bible is not a how-to book for life but a window through which we can view God’s story and encounter the living Christ.”
—Derek Hogan, assistant professor of New Testament, Campbell Divinity School
What do we do when the church looks nothing like Jesus?

Many followers of Jesus feel disillusioned by a broken religion—one that loves political power, promises prosperity, and feeds on fear. We desperately try to rationalize how a loving God can be connected to unloving churches, institutions, and people. We can no longer deny that our version of Christianity is not just imperfect but has been co-opted to inflict violence, racism, abuse, hate, and even death. The question before many Christians is no longer how their faith can survive within a secular culture. It’s how their faith can survive Christianity itself.

In The Great Reckoning, writer Stephen Mattson writes out of the rubble of the failed American faith called Christendom. Instead of doomsaying or casting aspersions, however, Mattson offers hope for seekers looking for inspiration, solace for Christians fed up with an unsatisfying religion, and clarity for those sifting through the remains. The Great Reckoning is a clear-eyed yet tender critique of where we’ve gone wrong, and a guide away from the culture wars and toward the life of Jesus.

Consider this a dispatch from the wreckage of American cultural Christianity, and an ode to the Jesus-looking faith we seek.

Key Features
- Theological and cultural analysis of the culture wars within the church
- Exploration of the state of white evangelical Christianity in the United States and Canada
- Hope-filled examples of how Jesus-followers can embody their faith in authentic ways

Stephen Mattson is a writer and activist whose work has been published in Relevant, Huffington Post, Sojourners, Red Letter Christians, and a variety of other venues. Mattson graduated from Moody Bible Institute, served as a youth pastor, and now works at University of Northwestern–St. Paul. He and his wife and children live near Saint Paul, Minnesota, and attend Woodland Hills Church.
Humanity is nearing a technological tipping point. Futurists tell us that the blistering pace of technological, scientific, and social change is ushering in an era in which human bodies merge with devices, corporations know everything about us, and artificial intelligence develops human and even godlike potential. In possession of the most powerful tools history has ever seen, we will be faced with questions about wisdom, authority, faith, desire, and what it means to be human.

In Braving the Future, Douglas Estes equips Christians to thoughtfully and prayerfully prepare for a future of technohumanism. Drawing on Scripture, Christian tradition, and scientific literature, Estes offers a theology of work, creation, and personhood that is both prophetic and sturdy enough to keep pace with the technology of a future as yet unknown. He helps readers choose trust in God over fearful retreat and following Jesus over uncritical engagement with technology. The future may not look exactly like a science fiction movie, but are we ready to brave a future of limitless tech and boundless change?

Key Features

- Explores artificial intelligence, technohumanism, and big data in light of Christian faith
- Offers a theological framework for understanding how technology affects creation, work, and humanity
- Presents case studies of current and emerging technologies through the lens of discipleship and theology
- Examples of Christian communities and individuals discerning the ethics of new technologies

LOUISE A. VERNON’S RELIGIOUS HERITAGE SERIES

In this classic series of religious heritage for juveniles, Louise A. Vernon recreates for children events and figures from church history in Reformation times. Vernon traveled in England and Germany researching firsthand the settings for her fictionalized real-life stories. In each book she places a child on the scene with a historical character and involves the child in an exciting plot. The National Association of Christian Schools honored *Ink on His Fingers* as one of the two best children’s books with a Christian message released in 1972.
