*Meghan Larissa Good*

MennoMedia, Mennonite Church USA, and CommonWord Bookstore and Resource Center are partnering to encourage all Mennonites to read *The Bible Unwrapped: Making Sense of Scripture Today*, by Meghan Larissa Good.

Many people have questions about Scripture they are too

afraid to ask. Drawing from the best of contemporary biblical scholarship and the ancient well of Christian tradition, scholar and preacher Meghan Larissa Good provides answers to those questions. More than that, she demonstrates why the Bible matters and how it can be understood by people today.

- **#CommonRead will take place** in Mennonite churches between July 2019 and May 2020.

## Will our kids **care about faith?**

### **Raising Disciples**

How to Make Faith  
Matter for Our Kids  
*Natalie Frisk*

**\$16.99 USD**

Children and youth will just “catch” the faith of their parents, right?

Talking with kids about Jesus no longer comes naturally to many Christian parents. As curriculum pastor at The Meeting House, one of the largest churches in Canada, Natalie Frisk calls parents who follow Christ to ask the big ques-

tions about the spiritual formation of children and teens. With authenticity, flexibility, humor, and prayer, Frisk outlines how parents can make openings for their children to experience God in their daily lives. In practical and thoughtful ways, she equips parents to disciple their kids in various stages of childhood, adolescence, and young adulthood. *Raising Disciples* will awaken parents to Jesus-centered parenting and encourage us to engage in the lost art of discipling our own kids.

## Fall 2019: Stories of God's People

Welcome to a new year of growing in faith with children and youth! May the stories of God's faithfulness to the people in the first church and centuries earlier, in times of exile and restoration, be a reminder of God's presence with you on this journey of teaching.

### CHURCHES IN MANY PLACES

From Paul's conversion on the road to Damascus to his missionary travels, children and youth will meet inspiring models of faith such as Ananias, Barnabas, Lydia, Aquila, and Priscilla. As the good news spreads, wonder at God's blessing and care for this growing community of faithful leaders and followers.

### EXILE AND RETURN

The theme of God's faithfulness continues with stories of kings and prophets, exile and restoration, sorrow and hope. Children and youth will read about Solomon's building of the temple and its later destruction, imagine Ezekiel's valley of dry bones, and be inspired by the faithfulness of people as they returned from exile and rebuilt the temple.

## New Releases

**Read the Old Testament with wonder and awe.**

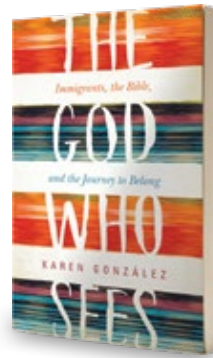

### Fire by Night

Finding God in the Pages of the Old Testament

Melissa Florer-Bixler

**\$16.99 USD**

Pastor Melissa Florer-Bixler invites readers to marvel at the Old Testament. The same passages that confuse and horrify and baffle us can, if we are paying attention, lure us closer toward God. This God has traveled with people through cloud and fire, by day and by night, since the beginning of time. The Old Testament is a perplexing book of profound grace, hope, and beauty. It's a book of fire. To read the Old Testament is to draw close to God's love.

**Who fled homelands in the Bible?**

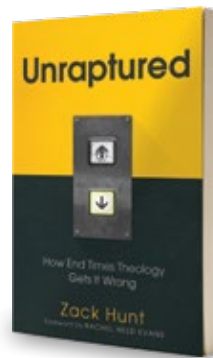

### The God Who Sees

Immigrants, the Bible, and the Journey to Belong

Karen Gonzalez

**\$16.99 USD**

Karen Gonzalez recounts her family's migration from the instability of Guatemala to making a new life in Los Angeles and the suburbs of south Florida. In the midst of language barriers, cultural misunderstandings, and the tremendous pressure to assimilate, Gonzalez encounters Christ. Here, too, is the sweeping epic of immigrants and refugees in Scripture. Abraham, Hagar, Joseph, Ruth: these intrepid heroes of the faith cross borders and seek refuge.

**End times? Not so fast.**

### Unraptured

How End Times Theology Gets It Wrong

Zack Hunt

**\$16.99 USD**

As a teenager, Zack Hunt was convinced the rapture would happen at any moment. Being ready meant never missing church, never sinning, and always listening to Christian radio. But when the rapture didn't happen, Hunt's tightly wound faith began to fray. Part memoir, part tour of the apocalypse, and part call to action, *Unraptured* traces how the church's focus on escaping to heaven has it mired in decay instead of following Jesus in the here and now and helps readers reorient their understanding of the gospel.

## Nine ways to get serious about Jesus.

### By the Way

Getting Serious about Following Jesus

Derek Vreeland

**\$16.99 USD**

Discipleship isn't an add-on. Jesus didn't say, "Go into all the world and get people saved." Jesus said, "Go therefore and make disciples." Reclaiming discipleship as the heart of the Christian faith means seeing anew the gospel, the cross, the resurrection, transformation, and the community of faith.

We learn the ways of Jesus by practicing them, Vreeland says, and in *By the Way*, he introduces us to the ways of Jesus. Discipleship means joining God's joyful mission of reconciliation on earth, not just saving souls for the afterlife.
