Ready to face your addiction?

Addiction Nation

What the Opioid Crisis Reveals about Us

Timothy McMahan King

\$17.99 USD

We have become a society not only damaged by addiction but fueled by it. In *Addiction Nation*, Timothy McMahan King investigates the ways that addiction robs us of freedom and holds us back from being fully human. Through stories, theology, philosophy, and cultural analysis, King examines today's most common addictions and their destructive consequences. Addiction of any kind dims the image of God and corrupts who we were created to be. *Addiction Nation* nudges us toward healing from the ravages of addiction and draws us toward a spirituality sturdy enough to sate our deepest longings.

Shine, Summer 2019

LIVING IN THE LAND

Hearing God's call

The summer quarter begins with stories of God's call to Joshua, Gideon, Ruth, Samuel, and Saul. These stories tell of God's care and protection for the Israelites as they learned to make their home in a new land and live as God's faithful people.

Kings and prophets

During the second half of the quarter, preschoolers hear stories of David as he grew from shepherd boy to beloved king of Israel—his friendship with Jonathan, compassion for Mephibosheth, and generous offering for the temple. Older children and youth hear stories of kings and prophets as the Israelites attempt to form a national identity in their new homeland.

Throughout the quarter, these larger-than-life characters pull us into the story and allow us to experience God's call to live and love as part of a faithful community. Join in the story with children and youth as you cross the Jordan River, glean in Boaz's field, watch the rise and fall of kings, and hear the prophets call for justice.

Summers are different in congregations and for Shine!

Summer Sunday school materials reflect the flexibility needed for summer's shifting attendance patterns.

- Early Childhood remains in the same format as the rest of year.
- Multiage replaces Primary and Middler levels, which are not offered in the summer.
- Junior Youth switches to a convenient electronic format.

SUMMER MULTIAGE LEAFLETS

A four-page student leaflet helps coordinate learning and faith formation in each session. Order one for each teacher and child plus one or two for guests. The leaflets also serve as children's bulletins for congregations that do not have a full summer Sunday school program.

SUMMER JUNIOR YOUTH

This all-inclusive program is available electronically on CD or as a download. In addition to the teacher's guide, each session includes one reproducible page for youth.

See order form for all age levels and full product listing.
